

Dear Parents,

Year 1 students are going to talk about some they have created: art, woodwork, craft, puppet, clay item, booklet etc. We will work on this weekly in class.

Parents please choose a piece:

- That took more than 3+ steps to make
- A range of colours, textures, items used
- Something they are really proud of or use so they can explain why they like it

They will need to bring their item to the assessment - but for now so we do not damage it please bring a photo of it to class.

Please can you fill out the template below with your child - please note we do not create a written speech with the children, instead they will use keywords to talk in their own words. The information below will help us to do that.

Child Name:

Name of Item:

When I made it:

Who I made it with:

Materials I used:

How I made it:

Describe it:

Three reasons why I like it:

What I do with it [if appropriate]:
